

HOOKSETT PD BINGO!

How to play: First print this bingo card off. Then using the words listed below fill in all the blank squares. After that grab some snacks, a refreshing beverage, and join us on our Facebook Live to play along. We will be picking words on the video and once you have BINGO (5 words either across, down, or diagonal) simply type BINGO! in the comment section of the FB live video. When someone has bingo, a new game with a fresh card will start.

We are playing with the honor system, so let's play fair and have fun!
